Please give yourself a few extra minutes for parking and to get to the club.

---From Peachtree Street you will turn on to Ellis Street. Please note that Ellis is a one way street.

---To park, you will look for the entrance that says "191 Peachtree". It's the white building. (There is parking next to it for the Ritz, do not park here.)

---You will go to "Visitor" parking, so follow those signs after you get your ticket

---Visitor parking will start at level "P6" for long term parking. Before that it is only 3 hour parking.

---Once you park, just follow the signs to the elevators.

---Once you are in the elevator, you will push "L" for the Lobby.

---At the Lobby, you will then exit the elevator, and walk across to get on another set of elevators.

---You are looking for the section of elevators labeled "50-39" floor

---Then you will go to the 49th floor, Commerce Club
