

Kristin W. Diver
Assistant Director
Economic Forecasting Center
Georgia State University

Kristin W. Diver has been Assistant Director of the Economic Forecasting Center at the Robinson College of Business at Georgia State University since 2003. She specializes in emerging trends within the Georgia and Atlanta metro area economies and is an integral part of producing the Center's premiere quarterly publication, *The Forecast of Georgia and Atlanta*. She also leads a team of student assistants in the production of this publication, as well as *The Forecast of the Nation*.

Besides her work in economics, Ms. Diver wears a number of different hats at the Center. She supervises the Economic Forecasting Conferences, a quarterly event which now regularly attracts 250-300 people. She is also responsible for overseeing operations within the office and marketing all the Center's publications and conferences.

Ms. Diver was raised overseas and is fluent in Spanish, French and German. She received her MBA in International Business and Marketing from Georgia State University and her BA in International Relations from Emory University.
